SUMMER CAMP PROGRAM DETAILS 2025

SUMMER CLUB (for children entering Grades 1 - 5 in September 2025)

The “Summer Club” program provides our campers with a well rounded camp experience designed specifically for younger campers. Throughout the camp day, campers will take part in various fun activities. These include: swimming, recreational games, tennis, and arts & crafts. The program emphasizes building friendships and creating memorable summer experiences in a safe and supportive environment.

JUNIOR RECREATION (for children entering Grades 6 - 8 in September 2025)

The “Junior Recreation” program provides many of the activities included in our “Summer Club” program but is tailored to our older campers with more advanced offerings. In addition to some of the activities offered through our “Summer Club” program, the “Junior Recreation” program introduces our older campers to exciting water-based sports such as kayaking, stand-up paddleboarding, wakeboarding as well as Pickleball. By providing a balanced mix of athletic and recreational activities, this program ensures that campers continue to grow, learn new skills, and form lasting friendships in a fun and active environment.

IMPORTANT

Please make sure your child is interested in these types of activities prior to registering them for camp. While we want every child’s camp experience to be a safe and fun one, please note that all activities follow a strict schedule that all campers are expected to adhere to and willingly participate in.

Camper Conduct & Behavior Policy

It is our intent to keep all our campers safe and maintain a positive camp environment. Thank you for working with us to make the Lloyd Harbor Village Park Summer Camp the great experience it has always been for all of our children. We will not tolerate bullying, hitting or any other aggressive behavior. As such we are implementing a "Three Strikes" policy regarding violent, abusive and disrespectful behavior:

•**First instance** – Verbal warning from the child's counselor and a phone call from the Director to the parents to inform them of the offending behavior.

•**Second instance** – Camper will be removed from all camp activities, brought to the camp office and parents will be called to pick-up their child immediately. Offending camper will be suspended for the remainder of the camp day or the entire next day depending on the time of the offending behavior.

•**Third instance** – Expulsion from camp for the remainder of the season. Any remaining camp weeks will be forfeited and no refunds will be given.

We are confident that this policy will not have to be implemented and look forward to a rewarding and fun filled summer.

Clothing and Equipment

- Sneakers and play clothes over a swimsuit.
- Water shoes (recommended).
- A towel.
- A life jacket (required for all 5th graders & Junior Recreation participants).
- A beach bag or other container, (please label all your child's belongings)

***Please note:** DO NOT bring cell phones, game consoles or music players to camp. The Village is not responsible for any lost, stolen or damaged personal belongings and strongly discourages these items being brought to camp.*

*******Important Information for Children with Life Threatening Allergies*******

In order for the Health Care Designee to allow a camper to have medication such as an inhaler or Epi-pen administered, the specific camper must provide written orders from the licensed prescriber. These orders must list the camper's name, description of the use of the medication, the dosage of the medication, the route for administration, and the medication must be in its original container. Parental permission by itself is not sufficient. Without these orders in place, 911 will be called in the event of a medical emergency.

If an Epi-pen is administered during camp, 911 will be called for follow up treatment at the nearest hospital.

Additional Information

- Apply sunscreen to your child prior to camp each day. Counselors will reapply sunscreen during the day for younger children after their first swim session.
- We do not supply sunscreen.
- Check our "Lost and Found" located near the Drop-Off / Pick-Up area periodically.
- Provide your child with a bag lunch each camp day (except for Friday).
- Pizza Lunch will be served to all campers every Friday, please provide your child with adequate water. No glass containers please.
- Make your child's counselors and the Camp Director aware if your child has any special dietary restrictions such as Celiac Disease so we can best serve them.
- Label all of your child's belongings with his/her name.
- Make an effort to meet the staff members charged with your child's health & well-being while they are at camp. Parent/staff communication is a vital component to a positive camp experience.
- Campers are not permitted to walk home. A parent/guardian must be available to pick them up each day.
- Campers are not permitted to order food to the park. They must be provided with a bagged lunch with the exception of "Pizza Days".
